LETHBRIDGE CHRISTIAN SCHOOL

Challenging students to know, love and obey Jesus Christ.

Welcome to LCS! We are very encouraged that you are considering registering or re-registering your child or children at LCS for the upcoming school year. Within our building it is our staff's desire to provide students with a Christian Education in an interdenominational setting. We strive to encourage lifelong growth and learning within our students.

We certainly understand that choosing LCS is a commitment of both your time and your finances and as a staff we will not take this lightly. We are committed to serving your children and partnering with your family to provide an educational experience that is second to none. Throughout your time at LCS we would love for you to be involved and serve in any area possible. Whether it be joining parent council, reading with students, assisting with lunch programs, volunteering in classrooms, or serving on the Lethbridge Christian School Society executive council, it is our belief that the strongest schools are ones in which a mutual partnership between home and school has been formed. If at any point you are looking to get involved but do not know where to begin, please contact the office and we can help get you plugged into our community.

Thank you in advance for taking the time to fill out this registration and for making the commitment to partner with LCS in the upcoming year. We are excited to see what God has in store, and very much look forward to continuing to offer an education that challenges students to become lifelong followers of Jesus Christ.

If you ever have any questions, concerns, or compliments please do not hesitate to come in and speak with me or send me an email at Leslie.Greeno@lethsd.ab.ca

Permission for school council to contact parents / guardians directly for 2017-18

School councils are collective associations of parents, teachers, principals, staff, students and community representatives who seek to work together to promote the well-being and effectiveness of the entire school community and thereby to enhance student learning. A school council is a means to facilitate co-operation among all the concerned participants in the local school. (Alberta Education)

School councils are one way we can all work together to support teaching and learning. School council plays an important role by advising the principal. We invite YOU to become involved!

School council members need to be able to contact parents about such things as:

- Meetings, special events, fundraising and other activities sponsored by the council;
- Obtaining your opinions and comments about school matters so council can work with the principal; and
- Sharing information on matters that affect public education.

School councils are subject to the Provincial Government’s privacy act, the *Personal Information Protection Act (PIPA)*. This means that in order for the school council to contact its parent or guardian members directly, they must provide the contact information directly to the school council.

If you would like to receive communication and information directly from the school council, we need to know how to contact you and to have your permission to do so. Please fill in this form and return it to the school. Your information will be kept private and used by the School Council Executive only to share information with you about school council activities for the 2017-18 school year.

If you have questions about the collection of your information, please contact this year’s school council chair.

For the 2017-2018 School Year

Is Your Child of First Nation, Metis or Inuit (FNMI) Heritage?

Dear Parents:

In 2004, after consulting with Aboriginal representatives, Alberta Education introduced the Aboriginal Learner Data Collection Initiative. It was introduced to identify First Nation, Metis and Inuit (FNMI) students for the purpose of helping to improve education programs and achievement for FNMI learners. The information helps Alberta Education and our school district determine effectiveness of initiatives for FNMI students, target programs to address student needs, identify promising practices, and determine professional learning needs for teachers. It is important information needed to provide the best possible learning environment for our FNMI students.

You will notice a section on your child's registration form that invites you to indicate if your child is of Aboriginal heritage. This question appears on all student registration forms in school jurisdictions across the province. The choice for an Aboriginal learner to provide this information is voluntary. As part of our on-going commitment to develop programming that reaches all students and to better serve the needs of our FNMI students, we ask that if your child is of Aboriginal heritage you check the appropriate box.

We also encourage all parents to visit our website or call our schools to find out more about the excellent programs and services we offer to our FNMI students.

Sincerely,

Sarah Heimbecker,
FNMI Lead Teacher

Lethbridge Christian School

Accounts in Arrears

Policy:

The Lethbridge Christian School operates as an Alternative Program within Lethbridge School District #51. The agreement with School District #51 acknowledges that the Lethbridge Christian School Society (LCSS) may collect non-instructional user fees to satisfy its financial responsibilities arising from this agreement.

LCSS's responsibilities include the capital (mortgage) and maintenance of the school building and grounds. The LCSS also operates its own transportation (bussing) service.

To fulfill these financial obligations the LCSS asks families with children attending the school to pledge to pay Building User Fees. These fees are established annually prior to registration for the coming school year. Families are aware of the Building User Fees and commit to them through the registration process. The LCSS is financially reliant on the receipt of these fees. The Society cannot continue to operate the school without receipt of agreed pledges on a timely basis.

While the LCSS Board recognizes that families may experience financial difficulties, the Society must also be good stewards of the funds submitted to them for the operation of the school by families and other donors. The LCSS Board is charged with operating the school in a financially responsible manner and set this policy to aid in the fulfillment of this obligation.

If families are unable or unwilling to pay Building User Fees, fulfilling their commitment made at registration, ancillary services such as bussing will be curtailed until their account is current.

Families with an account in arrears may register their child/children with Lethbridge School District #51 through the Lethbridge Christian School Office for the subsequent school year. However, placement at the Lethbridge Christian School will be contingent on a current account status with the LCSS. If any accounts are not current by May 31st of any year, the Lethbridge School District #51 will be notified of the child/children of families with accounts in arrears with the LCSS. Lethbridge School District #51 will then place these students in other District #51 public schools.

Families with an account in arrears who do not reside within the City of Lethbridge boundaries (Lethbridge School District #51) will be unable to register their child/children for any subsequent school year at the Lethbridge Christian School until their account is brought to a current status.

Qualifying families may apply to the LCSS User Fee Reduction Fund for financial assistance in meeting their pledged obligations. Such User Fee Reduction Funds will reduce the fees due but will not remove the obligation for the family to pay the balance of Building User Fees.

Families with an ability to financially support the school, over and above their user fee pledge, are encouraged to donate to the LCSS User Fee Reduction Program or to sponsor students to aid other families with fewer resources.

Procedure:

1. Families will be provided with a copy of this policy with the annual registration package.
2. The LCSS Bookkeeper will track receipt of Building User Fees and will maintain accurate records on all accounts.
3. Monthly Building User Fees are due in advance on the first calendar day of each school month, therefore, accounts will be considered “in arrears” if the account is not current at any time (i.e. the month’s payment is not fulfilled by the first day of the month).
4. During the first week of each month the LCSS Bookkeeper will prepare letters for the LCSS Treasurer’s signature to be sent to families with accounts in arrears. These families will be asked to bring their account to a current status by paying outstanding fees by the end of the current month. Families will also be provided with another copy of this policy as a reminder of consequences of an account in arrears.
5. When an account is in arrears, other services will not be available for the family until the Building User Fee account is brought to a current status.
6. If any account is in arrears for two months the LCSS Bookkeeper will prepare letters for the LCSS Treasurer’s signature which will be sent advising such families that bus service, if applicable, will be curtailed after the last school day of that month. Bus service will only be available if the account is brought to a current status.
