

YOUR SCHOOL BOARD PROVIDES ACCIDENT COVERAGE FOR STUDENTS!

Blanket Student Accident Coverage

This school participates in a program which provides accident insurance to eligible students who are residents of Canada at no cost to parents. Full-time students are automatically covered. International students and foreign exchange students are not eligible for this program. All eligible students are covered for injuries sustained while attending classes plus during school sanctioned trips and activities. Evenings, weekends and holidays are excluded. Medical and/or dental expenses incurred as a result of injury can be reimbursed after all other sources of insurance (such as provincial health and the parents' employer insurance) are exhausted. Various other benefits may also be payable. For a coverage summary or to confirm student eligibility please contact the school or visit the school's website.

Kids Plus™ Accident Insurance

This school also offers a voluntary program which provides more comprehensive accident coverage. Two plans are available for children age 6 months to 19 years. Adults age 20 to 64 may also apply. Only permanent residents of Canada are eligible for coverage under this program. Enrolled persons are covered for injuries sustained at any time, whether at home, school, work, on weekends or during holidays. Please see the accompanying brochure for full benefit details and plan pricing. This program is entirely voluntary. To enroll, visit www.kidsplus.ca/buy or complete the enclosed application form. Parents who have previously purchased coverage automatically receive renewal notices at the beginning of August and need only respond to that notice to continue existing coverage.
