

Our Sponsor Child

Lethbridge Christian School sponsors a young boy named Knishtan Arasaretnam from Sri Lanka. He was born on Oct. 23, 2005 and lives with his parents in a poor area.

His father is a fisherman so is employed at a minimal salary. His mother is a housewife. He has 2 sisters and 1 brother.

Any new information we receive about Knishtan is posted in front of the office.

In addition there is a jar on the office desk where we collect on-going donations which are very much appreciated.
