Memo

Oct. 1

ONE DISTRICT ONE BOOK **SUPPORT STILL NEEDED**

Schools across the district are going to take part in the one district one book project. This means that all Kindergarten to Grade 12 students and staff across the district will be reading the same book during the same period in the spring.

Currently there is a One District One Book banner on our school website which will give you more information about the project and how to donate. The committee needed to raise \$90,000 and with generous donations, the goal is closer to becoming a reality. Remember if you would like to donate, all contributions big and small make a difference.

Donations can be made via School Cash Online, or by dropping off a cheque at the Lethbridge School District No. 51 Education Centre at 433-15 Street South. A tax receipt will be issued for amounts of \$20 or more.

More information can be found on the [One District One Book website](#), or the [Facebook page](#) and [Twitter account](#).
