

School Fees

Lethbridge Christian School is only partially funded by Lethbridge School Division and therefore still requires some user fees. The Lethbridge Christian School Society, under which authority the Lethbridge Christian School has operated in the past, continues to exist. The Lethbridge Christian School Society owns the building and therefore, still has responsibility for its mortgage payments and much of the operations and maintenance expenses. The society continues to own, operate, and maintain the buses as well. Lethbridge School Division employs the teachers and support staff while subsidizing the general operations of the school.

To cover the expenses of the building and buses, the Lethbridge Christian School Society levies a yearly user fee that can be paid in monthly installments.

For the 2025.2026 school year, the fees were increased to \$2900 for a single-student family and \$3500 for a multiple-student family.

For families who require bussing, there is a annual fee of \$500.00.

Membership for parents in the Lethbridge Christian School Society is not mandatory under the Alternative Program, but is however, encouraged. This optional fee is \$30 per person or \$60 per couple.
