## 2025/2026 Assurance Plan

### School Mission Statement

To provide quality Christian education in an interdenominational setting, challenging student to lifelong excellence as they grow in knowledge, love, and in obedience to Jesus Christ.

## ASSURANCE PLANNING

**OUR VALUES:** We are growing, leading and supporting, with a focus on the following:

- Learning, Inclusion, Well-being, Respect and Leadership

### SCHOOL CONTEXT

Lethbridge Christian School, an Alternative Program with Lethbridge School Division that teaches from a Christ centered perspective, is an Kindergarten - Grade 8 school established to provide schooling based on the Scriptures and the fundamental teaching of the Gospel of Jesus Christ. Our teachers aim to guide the children in applying spiritual truths and values in their everyday learning experiences while fully delivering the educational curriculum set out by Alberta Education. The staff team works closely with parents to promote the Gospel of Christ and to address student educational concerns.

#### School Highlights:

As an alternative Christian school, we integrate biblical ideas not only in teaching and learning, but in every aspect of the school. This is demonstrated through routines such as chapel, Bible programming, encouragement to memorize scripture and ties with churches in the community. We regularly gather as an entire school for chapel times twice a week. This not only promotes biblical understanding and living but also promotes a strong sense of community. This sense of community extends beyond grade 8 and we are encouraged by the stories of alumni when they share their stories of how LCS helped prepare them for success in future endeavours. The understanding that every person is made in the image of God encourages an atmosphere of welcome and respect for all people.
